The Principal's Message

"... the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat."

(2 PETER 3:12)

One thing that modern science has done for us is to make these words sound very practical. The theory of anti-matter has an exact explanation as to how this melting and dissolving could take place.

If "the heavens shall vanish away like smoke, and the earth shall wax old like a garment" (Isa. 51:6), what is there of abiding value to which man can cling?

The Lord Jesus knew we would ask this question, and He has the answer: "Heaven and earth shall pass away, but My words shall not pass away." (Mark 13:31)

What greater privilege could face our 1959 graduates than that of "holding forth the Word of life" (Phil. 2:16), "the Word of God, which liveth and abideth for ever" (1 Pet. 1:23). May they accept the charge and "preach the Word" faithfully all their days (2 Tim. 4:1, 2).

STUDENT ACTIVITIES

The Student President

"From the first day until the last day he read in the book of the law of God". (NEH. 8:18)

For the past three years at Toronto Bible College we have daily studied God's Word, hiding it in head and heart that we might grow in grace. Daily we have experienced its power in our own lives enabling us to meet the challenge of a needy world: power to touch unconcerned hearts, power to bring those in darkness into light and power to keep us faithful and true to our Saviour, Jesus Christ !

As we go forth, this power is ours and yours—but only as we remain "People of the Book".

Keith Donald

The Student Co-President

We are thankful for our college and the opportunity to study the "Book of Books". Our desire is that each of us at Toronto Bible College be faithful "People of the Book", learning to love it more and appropriate it in our own lives.

"More than conquerors", chosen as a motto for the class of '59 would be incomplete; "more than conquerors through Christ" completes the expression which sends us forth confidently and upon which we rest, wielding the sword of the Spirit which is the Word of God. Our confidence and help is in its author.

May we, as students, and you, as readers of the "Gateway", prove day by day the promises of His Word, the power of the Holy Spirit and the presence of the Lord. Thus we shall be "More Than Conquerors THROUGH CHRIST".

EVENING CLASSES

EVENING CLASSES

Over two hundred evening class students meet weekly at T.B.C. for Bible Study and Christian Fellowship.

Each Tuesday and Thursday evening men and women from all walks of life attend lectures to deepen their spiritual life, and to prepare themselves for more active Christian service in their churches.

Christian service is a vital part of a Christian's life, and many opportunities are given for evening class students to witness in the various missions and many churches throughout the city. Christian witness is also given by students in hospitals.

Some graduates are serving in Toronto, while others are serving the Lord in other parts of Canada, U.S.A., Germany, South Africa, the United Kingdom, and the British West Indies.

It is a challenging course, and some have been called of the Lord into the day classes for more complete training.

Wherever they go, whatever they do, the evening classes at T.B.C. are helping all to be "workmen that need not to be ashamed", who can go out "holding forth the Word of Life".
